What is Kingdom Club & What is KC Student Leadership?

Kingdom Club is a fun place for grade-school age kids to be on Wednesday nights! Each week, children have a great time enjoying dinner with friends, playing games, singing, and learning about God and how He cares for them. If you have been a part of Kingdom Club in the past, you probably have many great memories of your time there.

Kingdom Club Student Leadership is for middle & high school students (grades 6-12) who want to be servant leaders, who are willing to work as part of a team of youth and adults, and who are ready to grow in their relationship with God. Student Leadership does require a firm commitment, but there are many perks to serving including dinner, friendship, fun activities, leadership training, and being a positive influence in the lives of younger kids.

How can I serve?

There are many ways to serve, and it is our goal to match up each Student Leader's gifts and interests to the service and leadership opportunities available at Kingdom Club. Some ways to serve are: preparing crafts, helping with games, assisting in the kitchen, helping younger kids with different activities and welcoming people as they arrive.
