What is Kingdom Club?

Kingdom Club is a fun place for grade-school age kids (Kindergarten through 5th grade) to be on Wednesday nights! Each week, children have a great time enjoying dinner with friends (kid-friendly foods!), playing games, singing, and learning about God and how He cares for them. In addition to having an awesome time each week, participants also work throughout the session to learn songs and drama for a musical presentation that is given at the conclusion of the session.

Now in our 21st year, Kingdom Club is offered by First Presbyterian Church San Mateo as an enhancement to our Sunday morning classes, and as an enrichment program for children in our community.

How do I Register?

Participants may register for Kingdom Club by completing and returning the enclosed form to the Children's Ministry office at First Presbyterian Church. A fee of \$100.00 per session (*Fall Session runs Sept.–Dec. and the Winter/Spring Session runs Jan.–May*) is requested to cover the cost of dinners each week, the musical CD, crafts and a Kingdom Club T-shirt. Partial scholarships are available upon request.

What about singing?

A big part of Kingdom Club is singing, and each week children have a great time learning and singing songs for a musical that they present at the end of the session. Children who are interested will also have an opportunity to try-out for solos or speaking parts in the musical. In addition, all children are encouraged to participate each time the Kingdom Club choir is scheduled to sing in worship services at First Presbyterian Church (usually once per session). These presentations give children an opportunity to build their confidence and become comfortable singing and speaking in front of a crowd as they share what they have worked hard to learn!

Bringing a Friend

We love friends at KC! If your child would like to bring a friend to Kingdom Club one night, please pick up a yellow Visitor Registration card at the front desk so that we have emergency contact information.

Parent Participation

All parents are required to participate in the Kingdom Club program, not only because the program cannot take place without many helping hands, but (more importantly) because of the positive impact a parent's presence has on the child participating in the program.

Please sign up to help with dinner service **and** in one other area (see registration form). If you don't have date preferences, we'll assign them for you. Anyone interested in becoming a regular part of the Kingdom Club leadership team is encouraged to speak with Gladys Gardner, our Children's Director.
